

Port of Brownsville
Newsletter June 2018

Here is a list of construction projects we have coming up for this summer:

- A. Pressure washing. Lots of it.
 - B. We are going to work on the upper park this year.
 - C. The boat ramp and staging area is going to be replaced this summer in August.
 - D. Boat demo
 - E. Piling repair
-
1. We are going to have the second BAD XIII meeting June 20 2018. There is still lots of room for anyone interested in participating on the planning committee for BAD.
 2. Definitely not something to miss, BAD XIII will be September 22, 2018. All the usual festivities will be available. Take a look at the flyer and then mark it on your calendar. We are, as in times past, looking for volunteers. If you are feeling generous, a cash donation is always appreciated to help with the art show prizes and the purchase of food.
 3. If you have problems with your dock pedestal, or anything else you see, please report it. The more eyes looking, helps find things that may or may not have been missed. If no one takes the time to talk to the staff, we may not know there is a problem. If the Port is not aware of a problem, we cannot fix it.
 4. It's that time of the year to make sure your boat has current registration and The Proper WN stickers are displayed properly on your boat.
 5. Recently we have had some problems with people smoking in the bath rooms so, please remember smoking or pets are not allowed in the bath rooms at all.
 6. Commissioners' Meeting: The regularly scheduled meeting **has been changed** and is **June 12** and will be held at **6:00 P.M. in the Yacht Club New Business**: White property lease and automated money collection. **Old Business**: Boat Launch and Boat compliance list.
