October 2017

1. **Here is a list of what we have coming up for the rest of the year:**

October 27th Haunted Harbor.

December 26th lighted boats.

2. B.A.D went off excellent. We still don't have the final numbers for donations but it is looking like the best B.A.D. yet. The car show had the largest turnout to date. We cooked nearly 1000 hamburgers and 500 hot dogs. What a ride. Thank you to all the volunteers that were able to help out and keep things straight. We could not have done it without you.

3. Haunted Harbor - Scare away Hunger

On Friday, October 27, from 6:00 to 8:30, the Brownsville Yacht Club and the Port of Brownsville are inviting children ages 12 and younger and their grown-ups to come trick or treat the decorated boats on the breakwater.

This is a wonderful tradition now going into the third year. Haunted Harbor is a win-win for everyone. It is fun, safe and unique!

All boats are welcome!

4. With things winding down for the summer it is a great time to come down to your boat to check your lines, fenders, and power cords for any nicks, scrapes or burning.

5. I know I sound like a broken record but we have to get personal items off the dock. In the rules and regulations there is no storage of any type on the main walkway or finger piers. So look around your boat and please remove anything stored on the docks. Please pick up around your boat or boathouse, not to mention the safety hazards involved.

6. We have one more Comprehensive Plan Meeting. So if you have anything to add, now is the time. In order to apply for grant money the project or upgrade needs to be in the Comprehensive Plan. The next meeting is on **October 4th at 4:30 PM**. It's not too late, show up and give your opinion. If you can't make the meeting submit any ideas you may have for improvements to the office and the committee will evaluate and let you know if they can be added to the Comprehensive Plan.

7. Commissioners' Meeting: The regularly scheduled meeting **has changed to October 18** and will be held at **6:00 P.M.** **New Business:** None; **Old Business:** Boathouse Compliance, Industrial Development District or raise taxes in the port district, Budget, and the Tariff.
