

*PORT OF BROWNSVILLE*  
*Newsletter August 2019*

**Here is a list of construction projects we have coming up for August:**

- A. Pressure washing; lots of it.
- B. Piling repair
- C. Pier repair
- D. General Maintenance
- E. Grounds Maintenance

1. Third **BAD Meeting August 20<sup>th</sup> at 5:00 in the Brownsville Yacht Club**. Please come join the fun and help plan the event. That also means that we are looking for donations and volunteers. Please help keep this event going. We need everyone's help.
2. The last three newsletters have been about getting under way. I will keep putting this in the newsletter as a reminder to get your boat running (you know who you are). Well we have a system that will make it easy for us and you to keep track. While at the same time following the Port rules. How this works is when your insurance is up for renewal you will be asked to take your boat out of its slip, motor outside the marina 100 yards or so, then you can return to your slip and the demonstration complete. The Process will start the first of the year. I am working on the policy now. So, if you have any input please come to the office and see me.
3. We are also modifying our Port Rules and Regulations. As stated in the Rules and Regulations Introduction Part B Item 2. It is the User's responsibility to obtain a copy of the Marina Regulations and Policies Manual from the Port. Copies will be made available in the Port Office for all interested parties. So, stop by the office and get a new copy of the rules and regulations.
4. It's now August and all of you should have your new registrations in hand. However, an inspection of the marina found more than 75 boats were missing their 2020 registration sticker. That means it's time to get your new registration stickers.
5. Commissioners' Meeting: The regularly scheduled meeting **has Not changed** and is **August 14 at 6:00 P.M. New Business:** none; **Old Business:** Boat compliance list, Resolution 19-05 Rules and Regulations, Tariff, Budget.

Fourteenth Annual

# Brownsville Appreciation Day

**B A D**
